B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
- Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
- A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
 - Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
- Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the Company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- How to retrieve your 'initial password'?
 - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

- Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
- Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
- If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
- Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- After successful login, you will be able to see all the companies "EVEN" in which you are holding shares and who's voting cycle and General Meeting is in active status.
- Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
- Now you are ready for e-Voting as the Voting page opens.
- Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.

5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

Explanatory Statement pursuant to Section 102 of the Companies Act 2013

ITEM NO. 3

Appointment of M/s Kriti Daga as Secretarial Auditor and to fix their remuneration

The Board of Directors at its meeting held on **April 10, 2025**, on the recommendation of Audit Committee, approved the appointment of M/s. Kriti Daga, Practicing Company Secretaries (Peer Review Certificate No. 2380/2022) as the Secretarial Auditors of the Company for five consecutive years commencing from FY 2025-2026 till FY 2029- 2030.

Securities and Exchange Board of India (SEBI) had amended SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI (LODR) Regulations, 2015') on December 12, 2024, amended Regulations 24A of SEBI (LODR) Regulations, 2015 provides specific guidelines for appointing and re-appointing Secretarial Auditors w.e.f April 01, 2025.

Regulations 24A of SEBI (LODR) Regulations, 2015 states that on the basis of recommendation of Board of Directors, a listed entity shall appoint or re-appoint an individual as Secretarial Auditor for not more than one term of five consecutive years; or a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years, with the approval of its shareholders in its Annual General Meeting.

Accordingly, based on the recommendations of the Audit Committee and the Board of Directors, it is hereby proposed to appoint M/s Kriti Daga, Practicing Company Secretaries (ACS No. 26425, C.P. No. 14023), as the Secretarial Auditors of the Company for a period of 5 consecutive years from financial year 2025-26 to financial year 2029-30 pursuant to provisions of Section 204 of the Companies Act read with Rule 9 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) and Regulation 24(A) of SEBI (LODR) Regulations, 2015.

Term of Appointment: Appointment for a term of 5 (Five) consecutive years from the conclusion of ensuing 31st AGM, subject to the approval of Equity Shareholders at the ensuing 31st AGM of the Company. The proposed fees payable to the Secretarial Auditors in Rs. 50,000/- (Rupees Fifty thousand only) per year plus out of pocket expenses for the first year and for subsequent years, which may be subject to revision if and as mutually agreed between the Board and the Auditors.

Brief Profile: Kriti Daga is first of its kind, a mega-firm of Company Secretaries in Practice having wide expertise in the legal, secretarial and financial arena. The firm has been created by highly experienced practicing professionals having wide range of domain expertise with an aim of providing its clientele multi-disciplinary, multi-geographic, high quality, legal, financial & secretarial services in a cost effective and simplified manner.

Considering the profile of the firm and practicing professionals associated with the firm, it has been recommended to appoint Kriti Daga as the Secretarial Auditors of the Company. The Board of Directors in its meeting held on February 11, 2025 have proposed to approve the appointment by way of passing an Ordinary Resolution.

None of the Directors, Key Managerial Personnel and their relatives are in any way concerned or interested in the said resolution.

PERFORMANCE EVALUATION

During the Year Under Review, the formal annual evaluation of the performance of the Board, its committees and individual directors was carried out, in the Company by the independent directors, and the Board, in compliance with the Companies Act, 2013 and SEBI Listing Regulations, as amended from time to time.

The performance of non-independent directors, Board as a whole and the chairman was done by the independent directors of the Company. Performance evaluation of independent directors was done by the entire Board, excluding the independent director being evaluated.

An indicative criterion of evaluation was circulated to the directors to facilitate such evaluation. Based on the feedback of the directors and on due deliberations of the views and counter views, the evaluation was carried out in terms of the NRC Policy and such indicative criterion. The Board sought the feedback of directors on various parameters including:

- Degree of fulfilment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board/Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The evaluation process endorsed the Board confidence in the ethical standards of the Company, the resilience of the Board and the management in navigating the Company during challenging times, cohesiveness amongst the Board, constructive relationship between the Board and the management, and the openness of the management in sharing strategic information to enable Board to discharge their responsibilities and fiduciary duties.

FAMILIARISATION PROGRAM FOR DIRECTORS

As a practice, all new directors (including independent directors) inducted to the Board are given a formal orientation.

The familiarisation programme for the independent directors is customised to suit their individual interests and area of expertise. The directors are usually encouraged to interact with members of senior management as part of the induction programme. The senior management make presentations giving an overview of the Company's strategy, operations, products, markets and group structure, Board constitution and guidelines, and the major risks and risk management strategy. This enables the directors to get a deep understanding of the Company, its people, values and culture and facilitates their active participation in overseeing the performance of the management.

Management Discussions & Analysis

ANNUAL OVERVIEW AND OUTLOOK

After a resilient 2023 powered by strong US economic growth, we see the world economy slowing next year as the lagged impact of higher interest rates filters through and other tailwinds, like strong US consumer spending, fade. (Geo)politics adds further uncertainties, with pivotal elections next year from the US to Asia. We forecast global GDP growth at 2.2% in real terms in 2024, the weakest since the global financial crisis outside of the COVID-19 crisis, and down from 2.6% in 2023, before a rebound to 2.7% in 2025 (see Table 1). We expect inflation and interest rates to moderate in 2024 and 2025, but flag upside risks to both.

We see four key trends driving the global economy over the coming two years: the threat of recession, the normalisation of real interest rates, geopolitics and regional conflicts, and the revival of industrial policies in developed markets. The duel of recession versus further economic resilience will persist in the near term and determine the path ahead for inflation, employment, and central bank policy rates for the cyclical outlook. The structural outlook will see higher inflation, public debt and even possibly potential growth, all which support a higher central bank natural rate of interest. Both cyclical and structural drivers also support a durable regime shift to higher sovereign bond yields. Geopolitics and regional conflict, most recently the new war in the Middle East, adds potential non-linear downside risks. The revival of industrial policy in developed markets, focused on modernising ageing industries and establishing new ones, may add structural growth tailwinds, but will likely also contribute to structurally higher inflation in the long term.

On the other hand, India's monetary and financial sectors have performed well in the first nine months of FY25. Bank credit has grown at a steady rate in the current financial year, with credit growth converging towards deposit growth. There has been a consistent improvement in the profitability of scheduled commercial banks (SCBs) as reflected in a fall in gross non-performing assets (GNPAs) accompanied by a rise in the capital-to-risk weighted asset ratio (CRAR). The government has also achieved significant progress in financial inclusion, with the Financial Inclusion Index of the Reserve Bank of India (RBI) increasing from 53.9 in March 2021 to 64.2 at the end of March 2024. Rural Financial Institutions (RFIs) have been an important player in facilitating India's financial inclusion journey. Development Financial Institutions (DFIs) have contributed significantly to the country's economic progress by financing infrastructure development projects.

The capital markets have demonstrated strong performance, driving capital formation in the real economy, increasing the financialisation of domestic savings, and supporting wealth creation. As of December 2024, the Indian stock market has recorded new highs, consistently outperforming its emerging market peers despite geopolitical uncertainties and election-driven market volatility challenges. Meanwhile, the insurance and pension sectors continue to perform with the vision of achieving universal coverage and strengthening the financial ecosystem further.

The financial sector is currently undergoing a transformative period marked by several emerging trends. Notably, there is an increase in the share of consumer credit in overall credit extended by banks and a rise in non-bank financing options. Additionally, equity-based financing has gained popularity, with the number of initial public offerings (IPOs) increasing six-fold between FY13 and FY24. While these developments herald a new era for the financial sector, they also introduce potential risks from a regulatory standpoint. The rise in consumer debt, the expansion of unsecured lending, and the growing number of young investors underscore the need for balancing growth and stability. Such regulation should encourage financial sector growth while ensuring stability and resilience.

OPPORTUNITIES & THREATS

OPPORTUNITIES

The Union Budget 2025-26, unveiled by Finance Minister Nirmala Sitharaman, has set the stage for transformative changes in India's financial sector. The upcoming budget concentrates on developing economic expansion while making credit options more accessible and improving the regulatory process to build a stronger finance system for India. The Financial Budget 2025-26 contains several essential financial sector trends that will significantly affect the industry.

AMPLIFYING CREDIT ACCESS AND FINANCIAL INCLUSION

Economic empowerment through credit recognition drove the government to establish the 'Grameen Credit Score' as a framework. The Grameen Credit Score framework enables assessment of rural debtor creditworthiness including members of Self-Help Groups (SHGs) to grant them access to formal financial channels. Integrating rural people into the finance sector mainstream infrastructure will create new economic possibilities for millions of citizens.

NaBFID launched the Partial Credit Enhancement Facility while operating alongside the National Bank for Financing Infrastructure and Development. The facility enhances commercial bonds in infrastructure projects allowing corporations to receive funding for large projects. This infrastructure development will serve as a foundation for sustainable economic growth because these measures are expected to fuel development.

INVITING FOREIGN INVESTMENT: A NEW ERA FOR THE INSURANCE SECTOR

The government made a historic decision to raise the Foreign Direct Investment (FDI) limit in the insurance Finance sector from 74% to 100% in one step. The strategic change will bring substantial foreign resources to the industry and create stronger market competition which drives better insurance solutions development. The transformation means consumers obtain better financial stability together with numerous insurance products that fulfill different needs.

STREAMLINING COMPLIANCE AND STRENGTHENING REGULATORY MECHANISMS

The new India budget allocates its resources to enhance business compliance procedures through simplification methods that create a better environment for commerce. The Central Know Your Customer (CKYC) registry will receive an essential update that will activate its operations starting in 2025. The United Customer Verification system established one unifying framework that will make financial institutions operate more efficiently and reduce banking and investment procedures for consumers and organizations.

The process of approving corporate mergers undergoes optimization to minimize the time spent on bureaucratic approvals. The government wants to speed up these business procedures to establish a favorable market environment for business consolidation that drives the economic movement.

BUILDING A MODERN, TRUST-BASED FINANCIAL ECOSYSTEM

A High-Level Committee for Regulatory Reforms has been established by authorities to develop contemporary financial regulations that achieve their intended performance objectives. The committee functions to inspect past rules for updating purposes because it works to simplify business operations while removing unneeded compliance constraints.

An Investment Friendliness Index provides a breakthrough as it rates states according to their business environments to create healthy competition. This ranking system promotes a competitive spirit between states so they can execute reforms to draw investors and generate economic growth.

The Financial Stability and Development Council (FSDC) support policy evaluation and will improve economic landscape response capabilities through its oversight function. The Jan Vishwas Bill 2.0 includes a plan to decriminalize more than 100 sections of various laws as part of its efforts to turn financial regulations more favorable toward business operations.

DIGITAL CURRENCY: EMBRACING THE FUTURE OF FINANCE

The Reserve Bank of India (RBI) continues its progress towards launching the Digital Rupee which represents a Central Bank Digital Currency (CBDC). The payment system revolution is set to occur through this digital initiative because it will decrease physical cash use while making payment systems more resilient and encouraging innovation in international transactions. The Digital Rupee represents an expected digital payment system that provides security in exchange while converging with international banking industry trends toward financial system digitization.

THREATS

IMF warns of weaker Indian economy in 2025. The Indian economy is set to face challenges in 2025, with the International Monetary Fund (IMF) forecasting a slightly weaker performance despite steady global growth. IMF Managing Director Kristalina Georgieva, in her annual media roundtable, highlighted the uncertainty that could arise from shifts in U.S. trade policy, which may further impact the global economic landscape. While global growth is anticipated to remain stable.

The IMF chief warned that 2025 would likely be marked by considerable uncertainty, particularly concerning the U.S.'s future economic policies under its incoming administration. Potential shifts in trade policy, tariffs, taxes, deregulation, and government efficiency as critical factors that could influence global markets. This uncertainty, according to Georgieva, is contributing to higher long-term interest rates globally, even as short-term rates have fallen.

The downturn, particularly in US equities, can likely be attributed to FIIs engaging in tax-loss harvesting or reassessing their asset allocation strategies, possibly shifting assets into cash. Notably, US Treasury yields for bonds maturing from two to thirty years increased, while yields for T-bills (with maturities of one year or less) decreased, coupled with significant inflows into money market funds. This scenario, set against the backdrop of the Federal Reserve lowering interest rates, suggests asset reallocation rather than short-term gains from these funds. Given the Fed's rate cuts and potential policy shifts under President Trump, including tariffs on certain foreign countries potentially leading to higher US inflation, US funds might find investments in these countries riskier.

Despite short-term market fluctuations, the Indian economy appears robust, with real GDP expected to close FY2025 at 6.4% and nominal GDP at 9.7%. Inflation is expected to be well within the Reserve Bank of India's (RBI) upper band of 6%, bringing nominal GDP growth to the 11.5%-12% range. Listed companies are expected to outpace nominal GDP growth, given the underrepresentation of the slower-growing agriculture sector in listed markets. Strong indicators, such as Purchasing Manager's Indexes above 50 and a 9.1% year-on-year increase in GST collections from April to December

2024, reinforce this positive outlook. Additionally, advance tax collections for the same period show a 21% growth, with corporate advance taxes up by 17% and non-corporate taxes soaring by 35%.

Government spending is anticipated to rise significantly in the last quarter, further boosting growth for FY 2024-25. The upcoming Union Budget for FY 2025-26 is expected to focus on strong capital expenditure, potentially increasing allocations by 12% or more compared to the previous year.

RISKS AND CONCERNS

ADCON CAPITAL SERVICES Ltd. (ADCON) has exposures in various line of business. ADCON are exposed to specific risks that are particular to their respective businesses and the environments within which they operate, including market risk, competition risk, credit risk, liquidity and interest rate risk, human resource risk, operational risk, information security risks, regulatory risk and macro-economic risks. The level and degree of each risk varies depending upon the nature of activity undertaken by them.

MARKET RISK

The Company has quoted investments which are exposed to fluctuations in stock prices. ADCON continuously monitors market exposure in equity and, in appropriate cases, also uses various derivative instruments as a hedging mechanism to limit volatility.

LIQUIDITY AND INTEREST RATE RISK

The Company is exposed to liquidity risk principally, because of lending and investment for periods which may differ from those of its funding sources. Management team actively manages asset liability positions in accordance with the overall guidelines laid down by various regulators. The Company may be impacted by volatility in interest rates in India which could cause its margins to decline and profitability to shrink. The success of the Company's business depends significantly on interest income from its operations. It is exposed to interest rate risk, both as a result of lending at fixed interest rates and for reset periods which may differ from those of its funding sources. Interest rates are highly sensitive to many factors beyond the Company's control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions and, inflation. As a result, interest rates in India have historically experienced a relatively high degree of volatility.

The Company seeks to match its interest rate positions of assets and liabilities to minimize interest rate risk. However, there can be no assurance that significant interest rate movements will not have an adverse effect on its financial position.

HUMAN RESOURCE DEVELOPMENT

The Company recognizes that its success is deeply embedded in the success of its human capital. During 2024-25, the Company continued to strengthen its HR processes in line with its objective of creating an inspired workforce. The employee engagement initiatives included placing greater emphasis on learning and development, launching leadership development programme, introducing internal communication, providing opportunities to staff to seek inspirational roles through internal job postings, streamlining the Performance Management System, making the compensation structure more competitive and streamlining the performance-link rewards and incentives.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

The provision of the Companies Act, 2013 relating to CSR Initiatives are not applicable to the Company.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company continues to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company's Board of Directors and the Company's Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

The Company has complied with all requirements of regulatory authorities. No penalties/strictures were imposed on the Company by BSE or SEBI or any statutory authority on any matter related to capital market during the last three years.

Corporate Governance is modus operandi of governing a corporate entity which includes a set of systems, procedures and practices which ensure that the Company is managed in the best interest of all corporate stakeholders i.e. shareholders, employees, suppliers, customers and society in general. Fundamentals of Corporate Governance include transparency, accountability, reporting and independence. For accomplishment of the objectives of ensuring fair Corporate Governance, the Government of India has put in place a framework based on the stipulations contained under the Companies Act, SEBI Regulations, Accounting Standards, Secretarial Standards, etc. Corporate Governance has become a buzzword in the corporate world. Globalizations, widespread of shareholders, changing ownership structure, greater expectations, etc. have made a good Corporate Governance sin-quo-nun of modern management.

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's governance philosophy is based on trusteeship, transparency and accountability. As a corporate citizen, our business fosters a culture of ethical behavior and disclosures aimed at building trust of our stakeholders. The Company's Code of Business Conduct and Ethics, Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Insiders and the Charter-Business for Peace are an extension of our values and reflect our commitment to ethical business practices, integrity and regulatory compliances.

The Company's governance framework is based on the following principles:

- ✓ Appropriate composition and size of the Board, with each member bringing in expertise in their respective domains;
- ✓ Timely disclosure of material operational and financial information to the stakeholders;
- ✓ Availability of Information to the members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- ✓ Systems and processes in place for internal control; and
- ✓ Proper business conduct by the Board, Senior Management and Employees.

CODE OF BUSINESS CONDUCT

The Company had formulated a Code of Business Conduct for the employees, including the Executive Directors ('EDs'), Non-Executive Directors ('NEDs') and stakeholders of the Company. The Code inter alia covers conduct of employees, environment, health & safety, anti-trust/competition laws, anti-bribery & anti-corruption, proper accounting & internal controls. The Code is also available on the Company's website on link https://www.adconcap.com/Company_Policies.html

The Company has also adopted the Code of Conduct for Independent Directors ('IDs') which suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013. The same is available on the Company's website link https://www.adconcap.com/Company_Policies.html. The Company has received confirmations from the NEDs and EDs regarding compliance of the Code for the year under review.

CODE OF FAIR DISCLOSURE, CONDUCT & INTERNAL PROCEDURE FOR PREVENTION OF INSIDER TRADING

POLICY FOR SELECTION AND APPOINTMENT OF DIRECTORS AND THEIR REMUNERATION

The Nomination and Remuneration (N&R) Committee has adopted a Charter which, inter alia, deals with the manner of selection of Board of Directors and CEO & Managing Director and their remuneration. This Policy is accordingly derived from the said Charter.

PRINCIPLE AND RATIONALE

Section 178 of the Companies Act, 2013 and the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 require the Nomination and Remuneration Committee of the Board of Directors of every listed entity, among other classes of companies, to –

- formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.
- identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal
- carry out evaluation of every director's performance - formulate the criteria for evaluation of Independent Directors and the Board

Accordingly, in adherence to the above said requirements and in line with the Company philosophy towards nurturing its human resources, the Nomination and Remuneration Committee of the Board of Directors of Adcon Capital Services Limited herein below recommends to the Board of Directors for its adoption the Nomination and Remuneration Policy for the directors, key managerial personnel and other employees of the Company as set out below:

Criteria of selection of Non-Executive Directors

- The Non-Executive Directors shall be of high integrity with relevant expertise and experience so as to have a diverse Board with Directors having expertise in the fields of accounting, finance, taxation, law etc. However Women Director is exempted from said criteria.

- In case of appointment of Independent Directors, the N&R Committee shall satisfy itself with regard to the independent nature of the Directors vis-à-vis the Company so as to enable the Board to discharge its function and duties effectively.
- The N&R Committee shall ensure that the candidate identified for appointment as a Director is not disqualified for appointment under Section 164 of the Companies Act, 2013.
- The N&R Committee shall consider the following attributes / criteria, whilst recommending to the Board the candidature for appointment as Director –
 - a. Qualification, expertise and experience of the Directors in their respective fields;
 - b. Personal, Professional or business standing;
 - c. Diversity of the Board.
- In case of re-appointment of Non-Executive Directors, the Board shall take into consideration the performance evaluation of the Director and his engagement level.

Remuneration

The Non-Executive Directors shall be entitled to receive remuneration by way of sitting fees, reimbursement of expenses for participation in the Board / Committee meetings. A Non-Executive Director shall be entitled to receive sitting fees for each meeting of the Board or Committee of the Board attended by him, of such sum as may be approved by the Board of Directors within the overall limits prescribed under the Companies Act, 2013 and The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

CEO & Managing Director – Criteria for selection / appointment

For the purpose of selection of the CEO & MD, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendation, if any, received from any member of the Board.

The Committee will also ensure that the incumbent fulfills such other criteria with regard to age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

Remuneration for the CEO & Managing Director

- At the time of appointment or re-appointment, the CEO & Managing Director shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the CEO & Managing Director within the overall limits prescribed under the Companies Act, 2013.
- The remuneration shall be subject to the approval of the Members of the Company in General Meeting.
- The remuneration of the CEO & Managing Director is paid by way of salary, allowances, perquisites, amenities and retirement benefits.

General

This Policy shall apply to all future employment of Company's Senior Management including Key Managerial Personnel and Board of Directors.

Any or all the provisions of this Policy would be subject to the revision/ amendment in the Companies Act, 2013, related rules and regulations, guidelines and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on the subject as may be notified from time to time. Any such amendment shall automatically have the effect of amending this Policy without the need of any approval by the Nomination and Remuneration Committee and/ or the Board of Directors.

PERFORMANCE EVALUATION

In terms of regulation 19 read with Schedule II to the Listing Regulations, the Company has framed a policy stipulating the criteria for evaluation of directors and the Board. In light of SEBI's Guidance Note dated 5 January 2017 on Board Evaluation, the Nomination and Remuneration Committee (NRC) and Board of Directors have revised the policy containing criteria for performance evaluation.

In view of the amendments to section 178(2) of the Act, the Board of Directors of the Company, at its meeting held on 14 February 2025, had approved the evaluation of the performance of Board, its Committees, the Chairperson and individual directors to be carried out by the Board only and would not be duplicated by the NRC. The NRC will only review its implementation and compliance.

Pursuant to the provisions of the Act and the Listing Regulations, the Board has carried out an annual performance evaluation of its own performance, and that of its Committees, Chairperson and individual directors.

The Company has adopted an 'Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Designated Persons ("the Code") in accordance with the SEBI (Prohibition of Insider Trading) Regulations, 2015 as amended from time to time ("the PIT Regulations").

This Code also provides for periodical disclosures from the designated Persons and their immediate Relatives as well as pre-clearance of transactions by such persons as per the thresholds mentioned in the code. The code is applicable to designated persons and their immediate relatives who are likely or may reasonably be expected to have access to the unpublished price sensitive information relating to the Company and the same is being implemented as a self-regulatory mechanism.

The Code is applicable to Promoters, Member of Promoter's Group, all Directors and such Designated Persons who are expected to have access to unpublished price sensitive information relating to the Company. The Company Secretary is the Compliance Officer for monitoring adherence to the said PIT Regulations.

The Company has put in place adequate and effective system of internal controls to ensure compliance with the requirements of the PIT Regulations. A structured digital database is being maintained by the Company, which contains the names and other particulars as prescribed of the persons covered under the Codes drawn up pursuant to the PIT Regulations.

The Company has formulated the 'Policy on Procedure of Inquiry in case of leak / suspected leak of Unpublished Price Sensitive Information' ('UPSI'). The policy is formulated to maintain ethical standards in dealing with sensitive information of the Company by persons who have access to UPSI. The rationale of the policy is to strengthen the internal control systems to ensure that the UPSI is not communicated to any person except in accordance with the Insider Trading Regulations. The Policy also provides an investigation procedure in case of leak/suspected leak of UPSI.

The Company has also formulated a Policy for determination of 'legitimate purposes' as a part of the Code of Practices and Procedures for Fair Disclosure of UPSI as per the requirements of the Insider Trading Regulations. The Company Secretary has been appointed as the Compliance Officer for ensuring implementation of the codes for fair disclosure and conduct. The Board, designated persons and other connected persons have affirmed compliance with the Code. This Code is displayed on the Company's website.

Members of Board while discharging their duties, avoid conflict of interest in the decision making process. The members of Board restrict themselves from any discussions and voting in transactions that they have concern or interest.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has a whistle blower policy encompassing vigil mechanism pursuant to the requirements of the section 177(9) of the Act and regulation 22 of the Listing Regulations. The Board of Directors, at its meeting held on 14 February 2019, revised whistle blower policy containing, inter alia, leak or suspected leak of unpublished price sensitive information in view of SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended, (SEBI PIT Regulations). The policy/vigil mechanism enables directors and employees to report to the Management their concerns about unethical behaviors, actual or suspected fraud or violation of the Company's code of conduct or ethics policy and leak or suspected leak of unpublished price sensitive information.

This mechanism provides safeguards against victimization of directors/employees who avail of the mechanism and provides for direct access to the Chairman of the Audit Committee in exceptional cases. The policy has been appropriately communicated to the employees within the Organization and has also been hosted on the Company's website https://www.adconcap.com/Company_Policies.html.

COMPLIANCES REGARDING INSIDER TRADING

Pursuant to the SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has a Board approved code of conduct to regulate, monitor and report trading by insiders ('code of conduct') and a Code of Practices and Procedures for Fair Disclosure of unpublished price sensitive information ('code of fair disclosure').

During the year under review, SEBI amended the SEBI PIT Regulations. In view of the amendments to the said Regulations, the Board of Directors, at its meeting held on 14 February 2019, inter alia approved the following, with effect from 1 April 2019:

- a. Revised code of conduct to regulate, monitor and report trading by Designated Persons;
- b. Revised code of practices and procedures for fair disclosure of unpublished price sensitive information;
- c. Revised whistle blower policy;
- d. Institutional mechanism for prevention of insider trading; and
- e. Amendment to the terms of reference of the Audit Committee.

The code of conduct and code of fair disclosure framed by the Company have helped in ensuring compliance with the requirements.

q. Share Transfer System and Transfer of Shares

The transfer of shares in physical form is processed and completed by Registrar & Transfer Agent within a period of fifteen days from the date of receipt thereof provided all the documents are in order. In case of shares in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. In compliance with the Listing Regulations, a Practicing Company Secretary carries out audit of the System of Transfer and a certificate to that effect is issued.

However; as per SEBI Notification No SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, Shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.

r. Consolidation of Folios and avoidance of multiple mailing

In order to enable the Company to reduce costs and duplicity of efforts for providing services to investors, members who have more than one folio in the same order of names are requested to consolidate their holdings under one folio. Members may write to the Registrars and Transfer Agents indicating the folio numbers to be consolidated along with the original shares certificates to be consolidated.

s. Review of Governance Practices

We have in this Report attempted to present the governance practices and principles being followed at the Company, as evolved over a period, and as best suited to the needs of our business and stakeholders.

Our disclosures and governance practices are continually revisited, reviewed and revised to respond to the dynamic needs of our business and ensure that our standards are at par with the globally recognized practices of governance, so as to meet the expectations of all our stakeholders.

t. Compliance with Secretarial Standards

The Institute of Company Secretaries of India, a Statutory Body, has issued Secretarial Standards on various aspects of corporate law and practices. The Company has complied with each one of them.

x. Dematerialization of Equity Shares & Liquidity

The Company's Equity Shares are in Demat trading segment and the Company had established connectivity with both NSDL & CDSL by signing the necessary agreements.

As on March 31, 2025, 95.48% public shareholdings of the Company are in dematerialized form.

Procedures for dematerialization of Equity Shares:

Shareholders who continue to hold shares in physical form are requested to dematerialize their shares at the earliest and avail the benefits of dealing in shares in demat form. For convenience of shareholders, the process of getting the shares dematerialized is given hereunder:

- Demat account should be opened with a Depository Participant (DP).
- Shareholders should submit the Dematerialization Request Form (DRF) along with share certificates in original, to their DP.
- DP will process the DRF and will generate a Dematerialization Request Number (DRN).
- DP will submit the DRF and original share certificates to the Registrar and Transfer Agents (RTA), which is Purva Sharegistry (India) Private Limited.
- RTA will process the DRF and confirm or reject the request to DP/ depositories
- Upon confirmation of request, the shareholder will get credit of the equivalent number of shares in their demat accounts maintained with the DP.

y. Important Points

Investors should hold securities in dematerialised form, as transfer of shares in physical form is no longer permissible.

As mandated by SEBI, w.e.f. April 1, 2019, request for effecting transfer of securities shall not be processed unless the securities are held in dematerialised form with a depository except for transmission and transposition of securities.

Members are advised to dematerialise securities in the Company to facilitate transfer of securities.

Holding securities in dematerialized form is beneficial to the investors in the following manner:

- A safe and convenient way to hold securities;
- Elimination of risk(s) associated with physical certificates such as bad delivery, fake securities, delays, thefts, etc.;
- Immediate transfer of securities;
- No stamp duty on electronic transfer of securities and thus reduction in transaction cost and reduction in paperwork involved in transfer of securities;
- No odd lot problem, even one share can be traded;
- Availability of nomination facility;
- Ease in effecting change of address / bank account details as change with Depository Participants (DPs) gets registered with all companies in which investor holds securities electronically;
- Easier transfer and transmission of securities as the same is done by DPs for all securities in demat account;
- Automatic credit in to demat account of shares, arising out of bonus / split / consolidation / merger / etc.;
- Convenient method of consolidation of folios/accounts;
- Holding investments in Equity, Debt Instruments, Govt. securities, Mutual Fund Units etc. in a single account;
- Ease of pledging of securities; and
- Ease in monitoring of portfolio.

Members holding Shares in Physical mode:

- a) are required to submit their Permanent Account Number (PAN) and bank account details to the Company / RTA, if not registered with the Company as mandated by SEBI.
- b) are advised to register the nomination in respect of their shareholding in the Company. Nomination Form SH-13 ([Pursuant to section 72 of the Companies Act, 2013 and rule 19(1) of the Companies (Share Capital and Debentures) Rules 2014] can be obtained from the Company's Registrar and Share Transfer Agent. It is also available on Public domain.
- c) are requested to register / update their e-mail address with the Company / RTA for receiving all communications from the Company electronically.

Members holding Shares in Electronic mode:

- a) are requested to submit their PAN and bank account details to their respective DPs with whom they are maintaining their demat accounts.
- b) are advised to contact their respective DPs for registering the nomination.
- c) are requested to register / update their e-mail address with their respective DPs for receiving all communications from the Company electronically.

The Securities and Exchange Board of India vide its circular no. SEBI / HO / MIRSD / DOS3 / CIR / P / 2019 / 30 dated February 11, 2019, with a view to address the difficulties in transfer of shares, faced by non-residents and foreign nationals, has decided to grant relaxations to non-residents from the requirement to furnish PAN and permit them to transfer equity shares held by them in listed entities to their immediate relatives subject to the following conditions:

- a) The relaxation shall only be available for transfers executed after January 1, 2016.
- b) The relaxation shall only be available to non-commercial transactions, i.e. transfer by way of gift among immediate relatives.
- c) The non-resident shall provide copy of an alternate valid document to ascertain identity as well as the non-resident status.
- d) Non-Resident Indian members are requested to inform Purva Sharegistry (India) Private Limited, Company's Registrar and Transfer Agent immediately on the change in the residential status on return to India for permanent settlement.

z. Electronic Payment Services

Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. Some of the advantages of payment through electronic credit services are as under:

- Avoidance of frequent visits to banks for depositing the physical instruments;
- Prompt credit to the bank account of the investor through electronic clearing;
- Fraudulent encashment of warrants is avoided;
- Exposure to delays / loss in postal service avoided; and
- As there can be no loss in transit of warrants, issue of duplicate warrants is avoided.

Printing of bank account numbers, names and addresses of bank branches on dividend warrants provide protection against fraudulent encashment of dividend warrants. Members are requested to provide the same to the Company's Registrar and Transfer Agent (RTA) for incorporation on their dividend warrants.

aa. Register for SMS alert facility

Investor should register with Depository Participants for the SMS alert facility. Both Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) alert investors through SMS of the debits and credits in their demat account.

bb. Intimate Mobile Number

Shareholders are requested to intimate their mobile number and changes therein, if any, to Company's RTA viz. Purva Sharegistry (India) Private Limited to their dedicated e-mail id i.e., "support@purvashare.com", if shares are held in physical form or to their DP if the holding is in electronic form, to receive communications on corporate actions and other information of the Company.

cc. Submit Nomination Form and avoid Transmission hassle

Nomination helps nominees to get the shares transmitted in their favor without any hassles. Investors should get the nomination registered with the Company in case of physical holding and with their Depository Participants in case shares are held in dematerialised form.

Form may be downloaded from the Company's website, under the section 'Investor Relations'. However, if shares are held in dematerialised form, nomination has to be registered with the concerned Depository Participants directly, as per the form prescribed by the Depository Participants.

dd. Deal only with SEBI registered intermediaries

Investors should deal only with SEBI registered intermediaries so that in case of deficiency of services, investor may take up the matter with SEBI.

ee. Corporate benefits in electronic form

Investor holding shares in physical form should opt for corporate benefits like bonus / split / consolidation / merger / etc. in electronic form by providing their demat account details to the Company's RTA.

ff. Register e-mail address

Investors should register their e-mail address with the RTA / Depository Participants. This will help them in receiving all communication from the Company electronically at their e-mail address. This also avoids delay in receiving communications from the Company. Prescribed form for registration may please be downloaded from the Company's website.

gg. Facility for a Basic Services Demat Account (BSDA)

SEBI has stated that all the depository participants shall make available a BSDA for the shareholders unless otherwise opted for regular demat account with (a) No Annual Maintenance charges if the value of holding is upto ₹ 50,000; and (b) Annual Maintenance charges not exceeding ₹ 100/- for value of holding from ₹ 50,001 to ₹ 2,00,000. (Refer circular CIR/MRD/ DP/22/2012 dated August 27, 2012 and circular CIR/MRD/ DP/20/2015 dated December 11, 2015).

hh. For the Attention of Shareholders holding shares in electronic form

Shareholders holding shares in electronic mode should address all their correspondence to their respective Depository Participants (DPs).

ii. Outstanding GDRs./ADRs/Warrants or any convertible instruments, conversion data likely impact on Equity :

Not any.

jj. List of all credit ratings obtained by the entity along with any revisions there to during FY 2024-25 for all debt instruments of such entity or any Fixed deposit Programme or any scheme or proposal of the listed entity involving mobilization of funds, whether in India or abroad - Not applicable

Independent Auditors' Report Standalone Ind AS Financial Statements for the year ended 31st March 2025

To the Members of Adcon Capital Services Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the financial statements of **ADCON CAPITAL SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2025 and the Statement of Profit and Loss, (Statement of Changes in Equity) and Statement of Cash Flows for the Year ended, and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other Explanatory Information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, (changes in Equity) and its Cash Flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion there on, and we do not provide a separate opinion on those matters.

In our opinion and according to the information and explanation given to us, there were no key audit matters which required to be reported.

Emphasis of Matters

1. Balance in the account of Trade Receivable, Loans and advances and Other Financial Liabilities are subject to confirmation/reconciliation and consequential adjustment, if required.
2. Based on our review, it is observed that interest income is not recognized on outstanding advances given to various parties amounting to Rs. 504.44 lakhs and no such documents are provided before us to enable to Crystallize the interest rate on the advances hence in the absence of sufficient information, we are unable to calculate the interest income to be recognized on such advances.
3. During the year ended 31 March 2025, the Company has undertaken recognition and measurement of Expected Credit Loss (ECL) on its financial assets as required under Ind AS 109 – Financial Instruments. Considering that ECL provisioning is mandatory under Ind AS 109, the Company has carried out the recognition and measurement retrospectively at year end in accordance with Ind AS 8 (considering the same as prior period error).
4. During the year ended 31 March 2025, the Company has undertaken recognition and measurement of "Provisioning on Standard Assets" as per rate prescribed under the RBI Master Direction –Non- Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, the Company has carried out the recognition and measurement retrospectively at year end in accordance with Ind AS 8 (considering the non-provisioning in previous periods as prior period error).

"Information Other than the Financial Statements and Auditor's Report Thereon"

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis, Board Report including Annexure to Boards Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We conclude that there is no material misstatement of other information.

Responsibilities of Management Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work

and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure "B" to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Adcon Capital Services Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Adcon Capital Services Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with reference to Standalone Ind AS financial statements

A Company's internal financial control with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements for the year ended March 31, 2025

1. BRIEF PROFILE

The company is incorporated on 28th July 1994 at Indore, Madhya Pradesh, India. It is a Public limited company by its shares. The company is one of the RBI registered Non-Deposit taking Company NBFC and is into the business of Finance and Investments. The activities of the company includes financing, investing in shares & other securities and other related activities of capital market.

The Registered Office of the Company is situated at 417, Chetak Centre NX, Near Hotel Shreemaya, R.N.T. Marg, Indore, Madhya Pradesh – 452 001.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance

The financial statements are prepared in accordance with and are in compliance, in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read along with Companies (Indian Accounting Standards) Rules, as amended and other relevant provisions of the Act. The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013.

2.2 Basis of preparation:

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at reporting date
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities

2.3 Presentation of financial statements:

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ("the Act") applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees rounded off to zero decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

2.4 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

Income from arbitrage comprises profit / loss on sale of securities held as stock-in-trade and profit / loss on equity derivative instruments is accounted as per following:

- i. Interest income is recognised in the Statement of Profit and Loss and for all financial instruments except for those classified as held for trading or those measured or designated as at fair value through profit or loss (FVTPL) is measured using the effective interest method (EIR).

The calculation of the EIR includes all fees and points paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other

premiums or discounts. For financial assets at FVTPL transaction costs are recognised in profit or loss at initial recognition.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)). For financial assets originated or purchased credit-impaired (POCI) the EIR reflects the ECLs in determining the future cash flows expected to be received from the financial asset.

- ii. Dividend income is recognised when the Company's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.
- iii. Fee and commission income and expense include fees other than those that are an integral part of EIR. The fees included in the Company statement of profit and loss include among other things fees charged for servicing a loan, non-utilisation fees relating to loan commitments when it is unlikely that these will result in a specific lending arrangement and loan advisory fees.
- iv. Profit / loss on sale of securities are determined based on the FIFO cost of the securities sold.
- v. Profit / loss on FNO Segment and Commodity transactions is accounted for as explained below:

Initial and additional margin paid over and above initial margin for entering into contracts for Equity Index / Stock Futures / Commodity Spot Trading/ Currency Futures and or Equity Index / Stock Options / Currency Options, which are released on final settlement / squaring-up of underlying contracts, are disclosed under "Other current assets". Mark-to-market margin-Equity Index / Stock Futures / Currency Futures representing the amounts paid in respect of mark to market margin is disclosed under "Other current assets".

"Equity Index / Stock Option / Currency Option Premium Account" represents premium paid or received for buying or selling the Options, respectively.

On final settlement or squaring up of contracts for Equity Index / Stock Futures / Currency Future, the realized profit or loss after adjusting the unrealized loss already accounted, if any, is recognized in the Statement of Profit and Loss. On settlement or squaring up of Equity Index / Stock Options / Currency Option, before expiry, the premium prevailing in "Equity Index / Stock Option / Currency Option Premium Account" on that date is recognized in the Statement of Profit and Loss.

As at the Balance Sheet date, the Mark to Market / Unrealized Profit / (Loss) on all outstanding arbitrage portfolio comprising of Securities and Equity / Currency Derivatives positions is determined on scrip basis with net unrealized losses on scrip basis being recognized in the Statement of Profit and Loss and the net unrealized gains on scrip basis are ignored.

- vi. Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.5 Intangible Assets:

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortization and cumulative impairment. Direct expenses and administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalized as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on the written down value method over the estimated useful life. The method of amortization and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset are recognised in profit or loss when the asset is derecognized.

2.6 Property, Plant and Equipments

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation less impairment loss, if any. Historical cost comprises of purchase price, including non-

refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separated items (major components) of property, plant and equipment.

Transfer to Reserves

In terms of provisions of Section 45(IC) of Reserve Bank of India Act, 1934, the Company being Non – Banking Financial Company (NBFC) is required to transfer minimum 20% of its Net Profit to Statutory Reserves under this section accordingly. As the company does not earn any profit during the current financial year so no amount is required to transfer to Statutory Reserves.

Depreciation methods, estimated useful lives and residual value:

Depreciation is provided on a pro-rata basis on the written down value method over the estimated useful lives of the assets which in certain cases may be different than the rate prescribed in Schedule II to the Companies Act, 2013, in order to reflect the actual usages of the assets.

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Class of Assets	Useful life as prescribed in Schedule II of Companies Act, 2013 (in years)	Useful life as followed by the Company (in year)
Computers	3	3
Furniture & Fixtures	10	10
Office Equipments	5	5
Vehicles	8	8

The assets' residual values, useful lives and method of depreciation are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized as income or expense in the statement of profit and loss.

2.7 Sundry Debtors and Receivables:

Sundry Debtors and Loans and Advances are stated at the value if realized in the ordinary course of business. Irrecoverable amounts, if any are accounted and / or provided for as per management's judgment or only upon final settlement of accounts with the parties.

2.8 Investments:

Non – Current investments and Current investments are valued at cost. Diminution in value (as per fair value measurement) if any, which is of a temporary nature, is not provided. However, the Company has no Non – Current Investments.

2.9 Impairment of Tangible and Intangible Assets other than Goodwill

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined in the case of an individual asset, at the higher of the net selling price and the value in use.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. For this purpose, the impairment loss recognised in respect of a cash generating unit is allocated first to reduce the carrying amount of any goodwill allocated to such cash generating unit and then to reduce the carrying amount of the other assets of the cash generating unit on a pro-rata basis.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit), except for allocated goodwill, is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss (other than impairment loss allocated to goodwill) is recognised immediately in the Statement of Profit and Loss.

2.10 Employee Benefits:

i. Short term Employee Benefits:

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

ii. Post-Employment Benefits:

- a) Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognised during the period in which the employee renders the related service.
- b) Defined benefit plans: The employees' gratuity fund schemes and employee provident fund schemes managed by board of trustees established by the Company, the post-retirement medical care plan and the Parent Company pension plan represent defined benefit plans. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognizes related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

iii. Long term Employee Benefits:

The obligation recognised in respect of long term benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii) (b) above.

iv. Termination benefits:

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

2.11 Financial Instruments:

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realize the asset and settle the liability simultaneously.

2.12 Write off:

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

2.13 Impairment:

The Company recognizes loss allowances for ECLs on the following financial instruments that are not measured at FVTPL:

- Loans and advances to customers;
- Debt investment securities;
- Trade and other receivable;
- Lease receivables;
- Irrevocable loan commitments issued; and
- Financial guarantee contracts issued.

2.14 Credit-Impaired Financial Assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead; the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortised cost or FVTOCI are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment. For financial assets where concessions are contemplated but not granted the asset is deemed credit impaired when there

is observable evidence of credit-impairment including meeting the definition of default. The definition of default (see below) includes unlikelihood to pay indicators and a back-stop if amounts are overdue for 90 days or more.

2.15 Cash and Bank Balances:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.16 Securities premium account:

i. Securities Premium includes:

- The difference between the face value of the equity shares and the consideration received in respect of shares issued pursuant to Stock Option Scheme.
- The fair value of the stock options which are treated as expense, if any, in respect of shares allotted pursuant to Stock Options Scheme.

- ii. The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

2.17 Borrowing Costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.18 Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Company.

2.19 Foreign Currencies:

- i. The functional currency and presentation currency of the Company is Indian Rupee. Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.
- ii. In currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the prevailing closing spot rate. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

- iii. Financial statements of foreign operations whose functional currency is different than Indian Rupees are translated into Indian Rupees as follows –
 - A. assets and liabilities for each Balance Sheet presented are translated at the closing rate at the date of that Balance Sheet;
 - B. income and expenses for each income statement are translated at average exchange rates; and

- C. all resulting exchange differences are recognised in other comprehensive income and accumulated in equity as foreign currency translation reserve for subsequent reclassification to profit or loss on disposal of such foreign operations.

2.20 Taxation:

Current Tax:

Tax on income for the current period is determined on the basis of taxable income (or on the basis of book profits wherever minimum alternate tax is applicable) and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profit will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets in respect of unutilized tax credits which mainly relate to minimum alternate tax are recognised to the extent it is probable of such unutilized tax credits will get realized.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

2.21 Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised only when:

- i. an Company entity has a present obligation (legal or constructive) as a result of a past event; and
- ii. it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- iii. a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- i. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- ii. a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

2.22 Statement of Cash Flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealized gains and losses; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

2.23 Earnings per Share:

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

2.24 Key source of Estimation:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, expected credit loss on loan books, future obligations in respect of retirement benefit plans, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

2.25 Changes in Accounting Standard and recent accounting pronouncements (New Accounting Standards issued but not effective):

On March 30, 2022, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2019, notifying Ind AS 116 on Leases. Ind AS 116 would replace the existing leases standard Ind AS 17. The standard sets out the principles for the recognition, measurement, presentation and disclosures for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently for operating lease, rentals are charged to the statement of profit and loss. The Company is currently evaluating the implication of Ind AS 116 on the financial statements.

The Companies (Indian Accounting Standards) Amendment Rules, 2019 notified amendments to the following accounting standards. The amendments would be effective from April 1, 2019

- a) Ind AS 12, Income taxes — Appendix C on uncertainty over income tax treatments
- b) Ind AS 19— Employee benefits
- c) Ind AS 23 – Borrowing costs
- d) Ind AS 28— investment in associates and joint ventures
- e) Ind AS 103 and Ind AS 111 — Business combinations and joint arrangements
- f) Ind AS 109 — Financial instruments

The Company is in the process of evaluating the impact of such amendments.

Changes in Accounting Standard and recent accounting pronouncements (New Accounting Standards issued but effective):

- Ind AS 28 - Investment
- Ind AS 12 – Income Tax

2.26 Inventories

Inventories have been valued at the method prescribed in the Accounting Standards.

2.27 Other Income Recognition

Interest on Loan is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

Dividend income on investments is accounted for when the right to receive the payment is established.

2.28 Purchases

Purchase is recognized on passing of ownership in share based on broker's purchase note.

2.29 Expenditure

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

2.30 Investments

Current investments are stated at the lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments. Investments are classified into current and long-term investments.

Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

2.31 Related Parties

Parties are considered to be related if at any time during the reporting period one party has the ability to control the other party or exercise significant influence over the other party in making financial and/or operating decisions.

As required by AS-18 "Related Party Disclosure" only following related party relationships are covered:

- i. Enterprises that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the reporting enterprise (this includes holding Companies, subsidiaries and fellow subsidiaries);
- ii. Associates and joint ventures of the reporting enterprise and the investing party or venture in respect of which the reporting enterprise is an associate or a joint venture;
- iii. Individuals owning, directly or indirectly, an interest in the voting power of the reporting enterprise that gives them control or significant influence over the enterprise, and relatives of any such individual;
- iv. Key management personnel (KMP) and relatives of such personnel; and

2.32 Stock In Trade

Shares are valued at cost or market value, whichever is lower. The comparison of Cost and Market value is done separately for each category of Shares.

Units of Mutual Funds are valued at cost or market value whichever is lower. Net asset value of units declared by mutual funds is considered as market value for non-exchange traded Mutual Funds.

2.33 Fair Value Hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

2.34 Financial Risk Management Objectives and Policies:

The Company's activities are exposed to a variety of Financial Risks from its Operations. The key financial risks include Market risk, Credit risk and Liquidity risk.

i. Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly three types of risk, foreign currency risk, Interest rate risk and other price risk such as Equity price risk and Commodity Price risk.

ii. Foreign Currency Risk:

There are no Foreign Currency transactions during the financial year.

iii. Foreign Currency Sensitivity:

There are no Foreign Currency transactions during the financial year.

iv. Credit Risk:

Credit risk is the risk that counterparty might not honor its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).

v. Trade Receivables:

Customer credit risk is managed based on company's established policy, procedures and controls. The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Credit risk is reduced by receiving pre-payments and export letter of credit to the extent possible. The Company has a well-defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. The Company follows the simplified approach for recognition of impairment loss and the same, if any, is provided as per its respective customer's credit risk as on the reporting date.

vi. Liquidity Risk:

Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

2.35 Summary of Significant Accounting Policies General

- Contingent Liabilities & Commitments - Nil
- Additional Information disclosed as per Part II of the Companies Act, 2013 – Nil

2.36 Earnings/(loss) per share

i. Basic earnings/ (loss) per share

Basic earnings / (loss) per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year.

ii. Diluted earnings / (loss) per share

Diluted earnings / (loss) per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Note 30: Fair Value Measurements**i. Fair value hierarchy**

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTPL investments in equity shares.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors is supported by the senior management that advises on financial risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance to the Company's board of directors that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The carrying amounts reported in the statement of financial position for cash and cash equivalents, trade and other receivables, trade and other payables and other liabilities approximate their respective fair values due to their short maturity.

Note 31: Financial Instruments Risk Management**Market Risk**

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Interest rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has exposure only to financial instruments at fixed interest rates. Hence, the company is not exposed to significant interest rate risk.

Price Risk

The company's exposure to equity securities price risk arises from investments held by the company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss.

Credit Risk

Credit risk is the risk that counterparty fails to discharge an obligation to the Company, leading to a financial loss. The Company is mainly exposed to the risk of its balances with the bankers and trade and other receivables.

Ageing of Receivables is as follows:

Particulars	Current Year	Previous Year
Past due not impaired:		
0-30 Days	-	-
31-60 Days	-	-
61-90 Days	-	-
91-180 Days	-	-
Greater than 180 Days	11.80	42.33
Total	11.80	42.33

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company considers the liquidity of the market in which the entity operates. The Company's principal sources of liquidity are the cash flows generated from operations. The Company has no long-term borrowings and believes that the working capital is sufficient for its current requirements. Accordingly, no liquidity risk is perceived.

The tables below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is insignificant.
